Parkland Fuel Corporation, doing business as Island Petroleum ("Island Petroleum") is pleased to provide equipment service plans for furnace and boiler systems (the "Plan") to Island Petroleum customers who purchase home heating oil from Island Petroleum. The Plan is subject to the terms and conditions as stated at IslandPetro.ca/EquipmentTerms. The Plan requires the customer to purchase home heating fuels from Island Petroleum during the Term or any renewal thereto. The Plan includes the following: Island Petroleum agrees to repair or replace those parts of the equipment that are covered by the Plan (the "Parts Covered"), as outlined in the Parts Covered section. Please see IslandPetro.ca/PartsCoverage for a complete list of parts covered. Service calls and replacement of parts that exceed your \$100 credit are not covered. Zone valves & circulators must have isolation valves that qualify for the Boiler PLUS Service Plan. * Customers who sign up and are approved for an oil equipment service plan are eligible to receive 100 BONUS AIR MILES® Reward Miles as a one-time offer. Please allow up to 45-120 days for AIR MILES® Reward Miles or Bonus AIR MILES® Reward Miles to appear in your AIR MILES® Collector Account. Equipment service plans, terms and pricing as outlined above are valid from August 1, 2017 to July 31, 2018. These Plans are in no way sponsored, endorsed or administered by, or associated with AIR MILES® International Trading B.V.
